M&B SHOE BAG

- 30115** **SIZE: 12.5"x 15" - RETAIL**
- 20007** **BULK**

Protect shoes during travel or in between wears by storing them in this high quality bag. The thick, non-woven fabric is durable but lightweight and features a dual drawstring closure to hold footwear securely. This bag is great for keeping dust off your favourite shoes and allows them to breathe while being stored in the closet. During travel, this bag prevents the soles of shoes from touching the rest of the valuables in the suitcase. Use a shoe bag for the extra pair of shoes stored at the office, the car, gym, locker and more.
